Richard Hamilton Jette's Viognier takes Gold in Melbourne!

The 2009 Richard Hamilton Jette's Viognier has followed in the footsteps of the 2007 vintage and been awarded a Gold Medal in class 5 (Aromatic Varieties and Aromatic blends 2009 at the prestigious 2009 Royal Melbourne Wine Show.

Sourced from our individual vineyard on the "Winery Block" located between Willunga and McLaren Vale, the attractive apricot blossom nose features just a hint of fresh tropical fruit and oak. These vibrant characteristics follow through to the palate, which displays lychee and peach flavours with excellent viscosity. A medium-bodied wine, Jette's Viognier has a delightful creamy mouth feel and finishes with a zesty yet soft acidity.
